

Pro HD Video

Bronze

Our Bronze package includes one camera operator that will record your ceremony. Your ceremony will be edited including music, titles & transitions. Your wedding ceremony will be mastered onto 1 DVD with a full menu to navigate your video. (3 hour coverage)

Silver

Our Silver package includes one camera operator that will record your ceremony & reception. Your ceremony will be edited including music, titles & transitions. Your wedding day will be mastered onto 3 DVDs with a full menu to navigate your video. (6 hour coverage)

Gold

Our gold package includes one camera operator that will record your Pre-ceremony, ceremony and reception. We also include a love story video that will give you a chance to tell your special stories and all the fun memories you had together that led up to this special day. We will take you to a location to shoot your love story video 2-3 weeks prior to your wedding day. Your love story video can be played back during your reception for all your friends and family to see (projector & screen extra). Your wedding day will be edited including music, titles & transitions. Your wedding will be mastered onto 5 DVDs with a full menu to navigate your video. We will also include an iPod friendly version of your wedding video. (8 hour coverage)

Platinum

Our platinum package includes one camera operator that will record your Pre-ceremony & reception. Two camera operators will record your ceremony, creating a more dynamic video. We also include a love story video that will give you a chance to tell your special stories and all the fun memories you had together that led up to this special day. We will take you to a location to shoot your love story video 2-3 weeks prior to your wedding day. Your love story video can be played back during your reception for all your friends and family to see (projector & screen extra). Typically for the pre-ceremony footage we will shoot the bride getting ready for her wedding day (Hair & Makeup). Your wedding day will be edited including music, titles & transitions. Your wedding will be mastered onto 5 DVDs with a full menu to navigate your video. We will also include an iPod friendly version of your wedding video. (10 hour coverage)
